

Health and Safety Protocol

To return safety together and follow San Francisco Unified School District (SFUSD) and San Francisco Department of Public Health (SFDPH), Au Co Vietnamese Cultural Center **require students, families and staff** must follow a few important requirements for you and your child related to Covid-19 prevention in all the center's programs and activities.

- Screen for any Covid related symptoms before coming to the center and **stay home if you feel sick.**
- **Wear a mask at all times (regardless of whether you are vaccinated or not)** when indoors at the center unless you are eating or drinking outdoors and recommend keeping social distance at least 6ft from others.
- Students with medical conditions who cannot mask are required to provide medical documentation and can be exempt.

VENTILATION

- Doors and windows will remain open to maximize air ventilation when health and safety allow.

CLEANING AND DISINFECTION

- Students are required to wash or sanitize hands before and after using shared supplies, playing outdoors, eating, and after using the bathroom.
- Cleaning and disinfecting supplies will be available for each classroom.
- Personal Protect Equipment (PPE) will be provided at the center.
- Staff will clean and disinfect frequently touched surfaces such as door handles, tables, desks, etc.

IF SOMEONE GETS SICK

- Students, families, or staff who report testing positive for COVID-19 must isolate at home for at least 10 days. After 10 days, you can return to the center with a negative Covid 19 test and free from Covid symptoms. For the community health and safety, please tell and update the center staff your Covid status. We are here to help.
- **Any vaccinated students, families or staff** who are identified as a close contact can continue to come to the center with a **negative Covid-19 within 7 days and free from Covid symptoms.**
- **Any unvaccinated students, families or staff** who are identified as a close contact might be **quarantined at home for at least 10 days** Or You can continue to come to the center with a **negative Covid-19 within 7 days** and **free from Covid symptoms.**

TESTING AND VACCINATION RESOURCES:

Free Covid testing for SFUSD students. Find out more information at

<https://www.color.com/sfusd-students>

Pfizer vaccines are available for SFUSD families at Burton high school and many locations. Check out for more information at

<https://www.sfusd.edu/covid-19-response-updates-and-resources/covid-19-vaccine-resources>

Or *Get vaccinated* for people 12 years and older who live, work or learn in SF

<https://sf.gov/get-vaccinated-against-covid-19>
